Keep these in mind!

- After the Diversity Dialogue takes place, the space will be opened up for questions.
- After 10 minutes of Q&A, participants will be sorted in different breakout rooms(chosen randomly). Each breakout room will be given 30 minutes to discuss about various issues that each member particularly work for. For ex: Climate Justice, Mental Health, Technology, Human Rights, etc. The task is to discuss about the intersections of each of the issues that each member cares about.(Get creative, and remember, this is not a competition!)
- After 30 minutes of discussing within your breakout rooms, everyone will return to the main meeting; Each breakout room will have to choose 1 person or 2 people who will tell us more about what was discussed in their room.

Guidelines for the open discussion between the participants.
